Ayrshire Business in the Community promote a variety of programmes and activities to support and encourage corporate social responsibility. We embrace innovation and partnership working. Contact us without obligation.

Community Excellence Awards

Available throughout Ayrshire regardless of organisation size or sector, this progressive programme, with three levels available, is designed to promote corporate social responsibility and to recognise, support and encourage organisations who are, or would like to be, engaging with the local community.

Endorsed by The Ayrshire Chamber of Commerce & Industry and Scottish Enterprise.

Coaching & Mentoring

Ayrshire Business in the Community help increase the skills and confidence of unemployed people facing or experiencing a period of transition.

Candidates are referred through a subscribed referral agent or can contact us direct to enquire about the programme.

Funded by The National Lottery through The Big Lottery Fund.

Modern Apprenticeship Challenge

Recognises and promotes the skills, commitment and creativity of Ayrshire's Modern Apprentices. It provides an opportunity for participating individuals and their companies to showcase these qualities within the context of a project which benefits the local community.

Entries are encouraged from organisations of any size or sector, as are individual or team entries.

The Challenge closes with a presentation event celebrating the successful completion of the project and providing the opportunity for the project beneficiaries to express their thanks and appreciation.

Football Challenge

Held annually, the purpose of the Football Challenge is to promote citizenship and interaction between players from a variety of different organisations throughout Ayrshire.

An excellent networking and team building opportunity which promotes health.
